Texas Department of State Health Services accredited food handlers program is now being offered through Texas A&M Agrilife Extension Service-Young County. This class is required for all food service employees to help promote the service of safe food. The class is a basic overview of food safety practices that are necessary to ensure you serve safe food at your establishment. Some practices discussed are:

- Good Personal Hygiene
- Cross Contamination
- Time & Temperature Abuse

If you would like to learn more, call today to reserve your seat.

Texas Department of State Health Services accredited food handlers program and meets the requirement of Section 288.33 (d) except in a temporary food establishment and the certified food manager, all food employees shall successfully complete an accredited food handler training course, within 60 days of employment.
