About 4HOnline!	Did You Know?
<ul style="list-style-type: none"> 4HOnline is the official Texas 4-H online system for adult and youth members directly involved with 4-H. 4HOnline is a partnership between the 4-H Family and the local county office. (Source: agrilife.org) 4HOnline is a secured system that is in compliance with the PCI Security Standards Council. Texas 4-H nor 4HOnline share or sells any personal information to third party vendors without your knowledge or permission. 4HOnline is based on "zero-based enrollment." Each year at the start of the enrollment cycle all 4-H membership in Texas goes to zero and everyone must re-enroll. This process is based on federal accounting policies. 	<ul style="list-style-type: none"> Most questions can be answered by calling the local county office. (Source: agrilife.org) An approved youth or adult membership record means a person is officially enrolled with Texas 4-H. An approved youth or adult member record also means a person can register for state or district level events. Adult volunteers are required to be screened through the Texas 4-H Youth Protection Standards program every three years. The screening process can take up to two weeks. A youth that is 8 years old and going into the 3rd grade must wait until September 1st to enroll for proper fees to be accurate. The Texas 4-H year officially starts September 1.
